Topic of the Month

Quitters Never Win, But Winners never Quit

When you begin your training in the martial arts, there will be stages of learning more difficult than others, but if you stick with it, the results will be well worth the effort.

Remember to give your best all the time regardless of how much homework you have, how tired you are, whether you have had a bad day or you just don't think you can't do it. Remember only YOU can make success happen, no one can do it for you. The sooner you realize that, the faster you will get out of your own way, get rid of the excuses and get to the finish line for success. This is true in all areas of life.

When you start something, always make up your mind to finish it and you will be a winner!

Sparring Classes

Remember, to participate in sparring classes students must have all required equipment. *Mouth guards* are required for everyone, no exception. *Groin* protection is required for all male students, *which should be worn during all classes*, not just for sparring; this is for the student's protection. Other recommended equipment, per rank, should be hand and foot gear for all ranks, head gear above purple belt. All equipment, including groin protection and mouth guards, are available for purchase through the office.

Shepherdsville Children Sparring Classes

PeeWee, Beginners - Wednesday July 20th

Advanced – Tuesday July 19th

Shepherdsville Adult Sparring Class

Tuesday July 19th

Taylorville Sparring Class

All Classes - Wednesday July 20th

Protective Sparring Gear.

This is just a friendly reminder that all students should be thinking about getting their own protective gear for sparring according to rank. All Protective gear must be purchased through Shaolin Kempo School of Martial Arts. This helps support the school and is the only way we can guarantee our students safety.

See your instructor with any questions or concerns.

Free Make Up Private Classes

Attention all student and parents, with it being summer, we understand and want all of our students to enjoy their family and vacation time. We just want you to remember to schedule your make up classes with your instructor for the time you or your child has missed. This is your responsibility to touch base with our instructors and set up a class time. Shaolin Kempo School of Martial Arts, because of the size of our student body, does not have time to chase everyone down to make our students schedule these classes. Free make up classes are something Mr. Tony and our instructors do for the good of our students.

Don't miss out!
